

# Salary Exchange Opt-in form

Your pension contributions, to the BOC Pension Scheme, BOC Retirement Savings Plan or Linde CryoPlants Pension Scheme, will be paid through Salary Exchange and your contractual pay reduced accordingly should you choose to opt into the scheme.

Please read the supporting material on-line at [www.bocpensions.co.uk](http://www.bocpensions.co.uk) to make sure you understand Salary Exchange.

If you do want your pension contributions to be paid through Salary Exchange, you can opt in and your contractual pay will be reduced by the value of your contributions. If your earnings are below a minimum amount (currently £7,000pa) you will automatically be taken out of Salary Exchange.

If you want to opt in to Salary Exchange, please sign this form and return it to your HR Department.
